EC CERTIFICATE OF FACTORY PRODUCTION CONTROL

1372-CPD-1089

Attestation of conformity system: 2 +

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Wood-based panels for use in construction:

Description: Poplar plywood, raw or painted, for internal use as structural components, in dry or wet.
for structural use, according to EN 13986:04

Produced by the manufacturer:

INVERNIZZI SpA

Strada provinciale per Gussola - 26030 Solarolo Rainerio (CR) - ITA

plant: **Strada provinciale per Gussola - 26030 Solarolo Rainerio (CR) - ITA**

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the notified body **Tecno Piemonte SpA** has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard **EN 13986:04** were applied.

This certificate was first issued on **28th of March, 2012** and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Current issue: Lenta, li 28/03/2012
