The Golf Village, Brazil
 Architect: Mariana Crego

Luna Triple 32x140

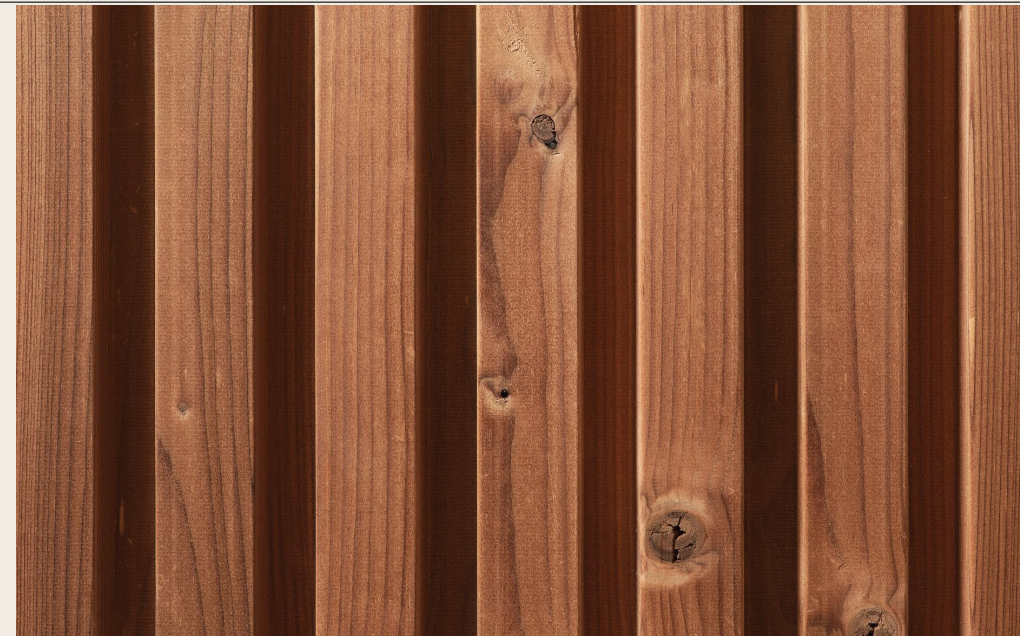

SPECIES: Nordic Spruce

LENGTH (m): 3,6-5,4

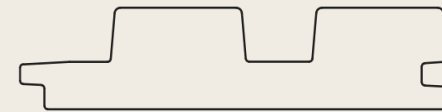

m/ m2: 7,57

Villa Kuningatar, Finland
Architect: Jämerä Kivitalot

Luna Duo 32x140

SPECIES: Nordic Spruce

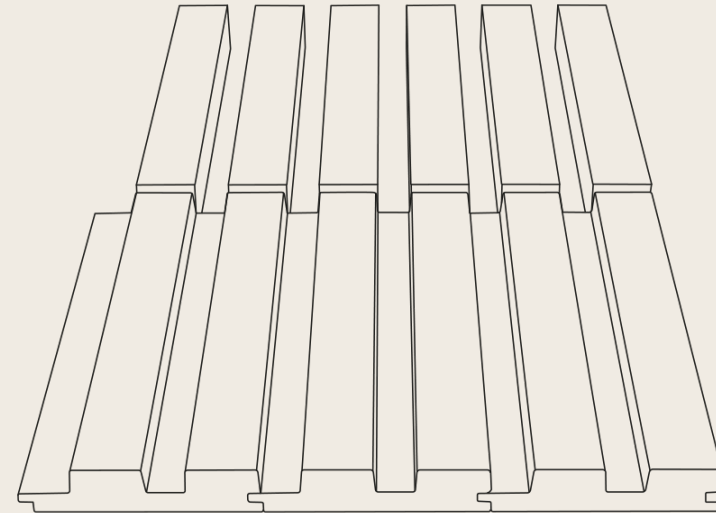

LENGTH (m): 3,6-5,4

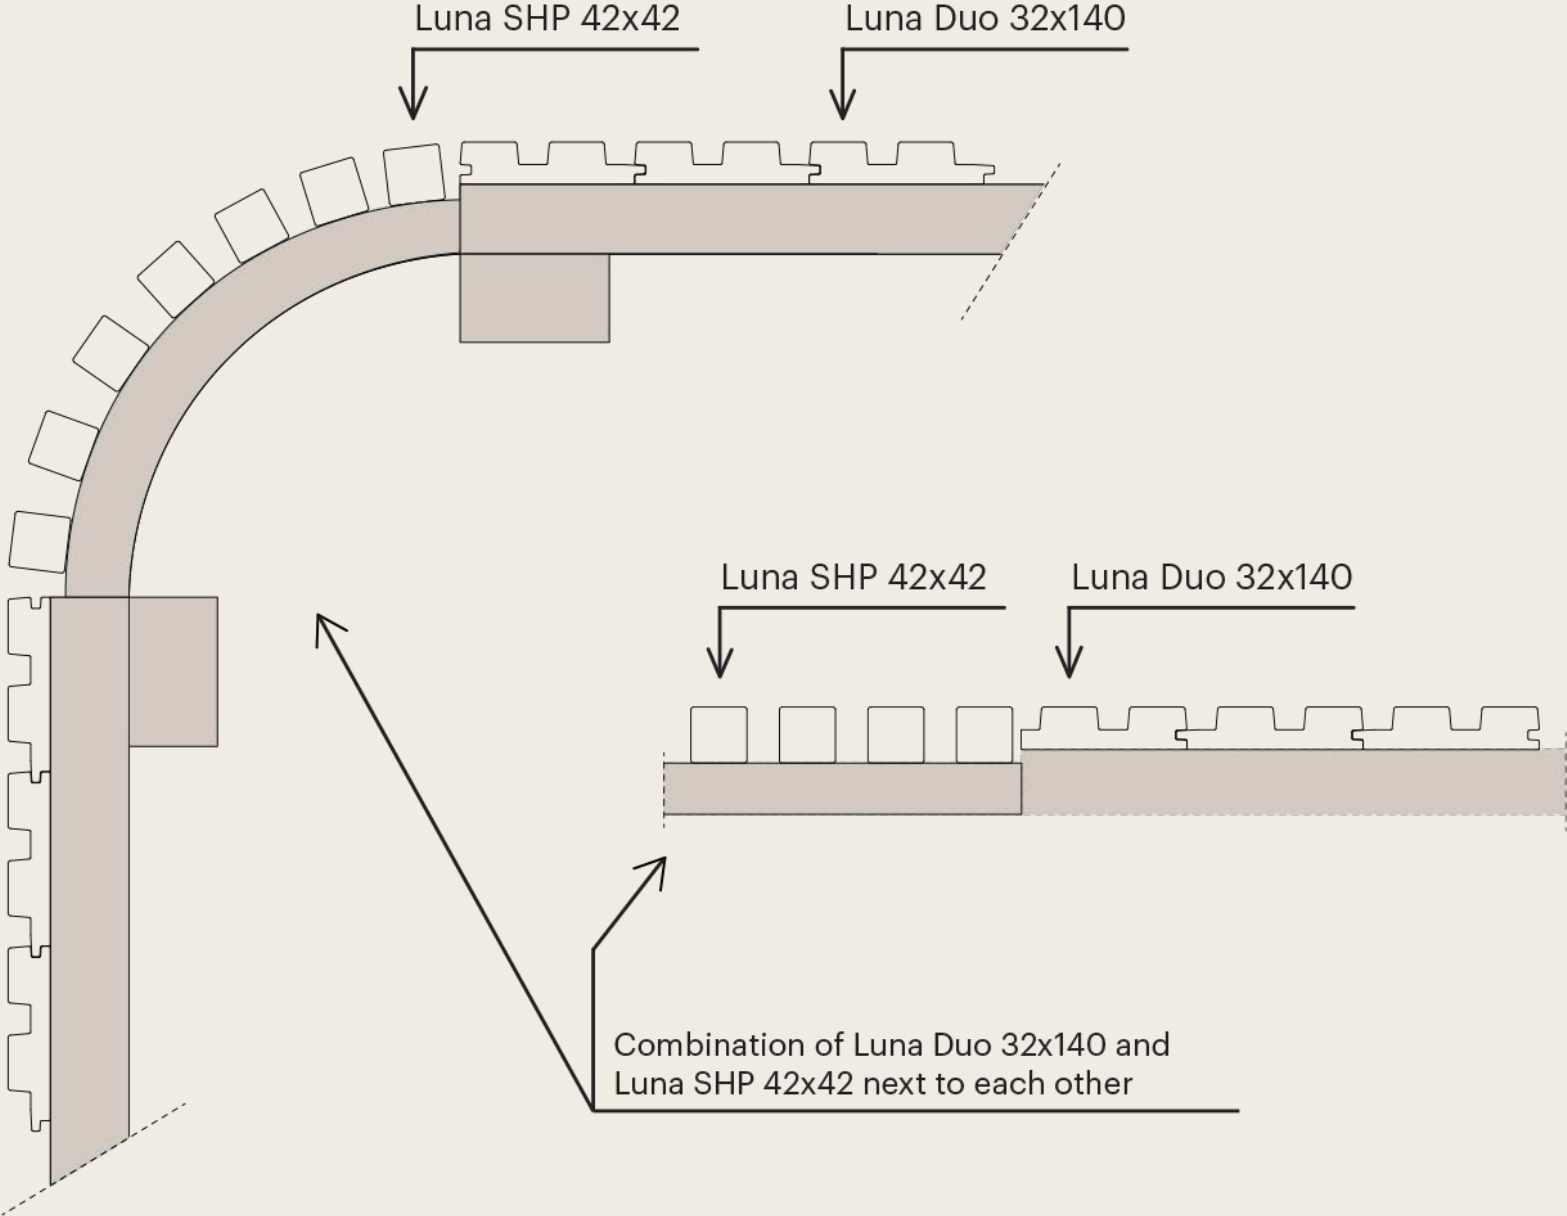

m/ m2: 7,57 m

Luna Duo has wide mock groove and 42 mm wide battens.

Luna Duo can be used to make a distinctive, graphic, cladding or panelling, which can be extended, for example over a window or to a curved part with Luna SHP 42x42 while maintaining the same visual appearance.

Luna Duple combined
with Luna Triple
